## Highlights at the Space Centre

### Welcome!

The H.R. MacMillan Space Centre is a non-profit community resource. Through innovative programming, exhibits, and activities, our goal is to educate, inspire and evoke a sense of wonder about the Universe, our planet and space exploration. ## Super Volcanoes Now Playing

### Super Volcanoes

Super Volcanoes explores the rare types of volcanic eruptions that marshal the energy that lurks, like a sleeping dragon, beneath the surface of planet Earth. Can a super volcano erupt in our own time? The answer is surprisingly close to home.
